H-17 Limitation of Price & Contractor Obligation

Funds available for performance of this contract are described in the Availability of Funds clause. The amount of funds available at award is not sufficient for any program year other than the First Program Year. When additional funds are available for the requirements of the enxt succeeding program year, the Contracting Officer shall, not later than the date(s) set forth in the Availability of Funds clause, so notify the Contractor in writing. The Contracting Officer shall also modify the amount of funds described in the Availability of Funds clause as available for contract performance. This procedure shall be called program year call-up and shall apply for each successive program year.

The Contractor is not obligated to incur costs for the performance required under any program year that has not been called-up. Upon program year call-up (which shall be accomplished by a contract modification), the Contractor's obligation shall increase only to the extent contract performance is required for the additional CLIN's for which funds are made available.

The Government is not obligated to the Contractor for any amount over that described in the Availability of Funds clause as available for contract performance, except in the case of program cancellation or Termination for Convenience of the Government. In the event of program cancellation the Government's maximum liability is the amount described in the Availability of Funds clause as available for performrance plus teh appropriate cancellation ceiling contained in clause H-17. If the contract is terminated for default, the Government's rights under this contract shall apply to the entire multi-year requirements.

H-18 Funds Available

Pursuant to Clause H-18, above, funds are available for the performance of this contract in the following amounts:

First Program Year	\$5,903,763
Second Program Year	\$12,122,704
Third Program Year	\$16,803,952
Fourth Program Year	\$23,729,144
Fifth Program Year	\$16,941,487*

The amount of funds set forth above is only sufficient for the year(s) that contain an entry. No program year can be called up until after the preceeding year has been called-up.

H-19 Call-Up Dates

Unless a different date is agreed to between the parties, the approximate call-up dates of the program years, along with the event necessary for call-up, are as follows:

Second Program Year	Approximately 12 months after award, after Shakedown Testing has been started
Third Program Year	Approximately 24 months after award, after Production Verification Testing, with Raft MLC Ratings complete
Fourth Program Year	Approximately 36 months after award, after First Article Approval
Fifth Program Year	Approximately 48 months after award

H-20 Government Furnished Property

All property in the Contractor's possession has been disposed.
